Become a Showroom member

Showroom Cinema opened its doors in 1993 and since then has grown to become one of the biggest and most popular independent cinemas in the UK. It's a cinema with a difference; closely connected with the international film business and partners including UK Film Council, Europa Cinemas and the Independent Cinema network it presents a vibrant programme of new releases and classic cinema as well as festivals and cultural events.

We are open to everyone throughout the year. As part of our film loving community we have formed a thriving showroom membership of people who care passionately about the Showroom and want to contribute to its continuing success as well as meet other like minded people. We invite you to become a Showroom member and benefit from
