**Film Hub North** is part of the BFI Film Audience Network (FAN). The ambition of Film Forever, the BFI's plan for 2012-17, is to encourage people to build a lifelong relationship with film, to help build audiences for a broader range of films across all platforms and ensure that film culture can be accessed and enjoyed by everyone across the UK. FAN is at the heart of this; a network coalition of organisations across the UK that will work together to extend film choice, increase and broaden film audiences, and enhance opportunities for audiences to engage with and learn about film.

We are an inclusive organisation and are keen to receive applications from people from all backgrounds and experiences. We welcome applications from people from black, Asian and minority ethnic communities, disabled people and younger individuals who are currently less well represented across our workforce.
